Student Name: _____

Score: 120

DIRECTIONS: Pick an artwork from the assigned video or the *ArtSmart: Indiana* website. Use the image to brainstorm a story idea below! First, complete the table to "flesh out" the story elements. Then, storyboard out the plot (like a comic strip) and get it checked over by your teacher or a friend! Finally, use this prewriting page as a springboard to write a short story on paper or on the computer! (The story will be graded separately!)
